Graduate Recruitment Trends

NZAGE/AAGE

1. Engineering consulting firms, professional services firms continue to hire the most graduates
2. Businesses are most likely to hire graduates for roles related to IT, finance, and accounting
3. Employers are most likely to use websites and online services to reach out to top candidates
4. Employers exhibit a strong preference for filling graduate positions with interns
5. Most employers choose to hire graduates who possess Australian or New Zealand citizenship

Graduate Recruitment Trends

- Industry disruption
- Recruiting diverse talent
- Wider range of degree disciplines
- Psychometric assessment over academic results
- Technology
- Direct recruitment
- Early engagement programmes
