

CASUAL PLAY GUIDELINES

- University Recreation Guidelines must be followed. Our values are respect, responsibility, fairness, integrity, and empathy. We expect all users to apply these values while using our facilities.
- It is crucial that these session timings are adhered to as we have bookings that are taking place after.
- Setting up and packing away the courts/nets must take place within these timings. If you are setting up a 'net sport, this must be done on a half a court, no full court nets are available. This is to ensure as many people can take advantage of the session as possible.
- The Main Gym will operate as a shared space during Casual Play hours. Please be respectful of other users and share the space. We want to maximise the gym usage and provide as many participation options for our users. If you require structured sport, please enquire about our 'Just Play' sessions.
- If a group/sport has been occupying the space for over 1 hour, and there is a back up of others wanting to play a different sport, you may be required to pack up and give others the opportunity to use the space.
- If you have any questions, or notice any issues please feel free to come and talk to a staff member
